Miss Susan's Class News

October, 2013

Fall has arrived and we have been busy painting

our Color Book. Now that they are all Complete we took them home and hope to have just as much fun reading them to

our families as we did at

Circle time. To celebrate fall we made marble paintings, cute toilet paper roll owls, and even made some mini pumpkin pies. We

enjoyed Cutting open our Class pumpkin and scooping out all the seeds. We cooked the seeds and enjoyed a little treat. We all loved reading "Go Away Big Green

Monster." We made our very own green Mon-

ster and even made a Green Monster Cake, my favor-

ite. We ended the month by painting black Cats and Creating fall place mats.

Miss Susan

Miss Gina's Class News

Happy October! Miss Gina's class has been busy counting, painting, and decorating pumpkins and leaves for our Fall theme.

For our zoo theme, we made monkeys, zebras lions and even our very own zoo. Watch out for the roaring lions!

We worked on our fine motor

using a variety of fall items.

We are learning to identify and count to '2' using various materials.

We have been learning the letters "d", "e" and "f". Every day we look around the room to see where these letters are hiding.

We had a birthday this month! It was fun celebrating Reina's 3rd birthday with Miss Susan's class.

Three-year-old Class News

We have been extra busy this month. To finish up our 5 Senses unit we made kaleidoscopes and blinded folded drawings for sight week, pumpkin muffins

pumpkin muffins and tasted salty, sweet, sour, and

savory for taste week, and made play dough and slime for touch week.

Along the way we learned all about fall and the changes that happen to all the

leaves on the trees. We went on our first field trip to Tanaka Farms Pumpkin Patch and each of us picked out our very own pumpkin. In class we cut open a pumpkin and were amazed at we found inside...so many seeds!

We made two books

this month; Scarecrow counting book and Tape is Sticky! We are also very close to finishing our Number Book, we only have number 20 left to do.

Pre-Kindergarten News

October was all about pumpkins! We went pumpkin bowling, visited Tanaka Farms and even made pumpkin pancakes.

In math we worked on sorting by color, shape and size, and how to

graph. We also learned how to write numbers 1,2, and 3. In handwriting, frog jump letters and have now started our corner starter letters. Check out our letters H and K!

We have several reader rabbits that have passed the 200 mark on our

reading wall.

we finished up our

We also have five students who have passed the second set of high frequency words (that's 50 words!) and are now taking home a reading book and backpack every night.

Keep practicing your high frequency words and keep reading every day!

Thank you,

Ms. April, Ms. Brooke, and Ms. Kat
