September

Our orientation day has become an annual event where new parents are welcomed and those returning are reacquainted with the curriculum and each other. With much excitement and plates of bagels and cream cheese, we met in our classrooms to learn about all the fun the new school year has in store. We progressed to the play yard for the second half of the orientation where the children explored the numerous activities available and the parents got to know each other. It's a nice way to begin the year.

Our first day was a big success and the children had so much fun exploring their new classrooms and getting acquainted with their new teachers. The day really went by quickly and before too long the children were going home after day one of learning and adventures.

Our school year will start with many changes as we welcome our new preschool director Miss Sara. We are all looking forward to the new adventures to come.

We hope that your September has been as exciting and adventures as ours has been!
