

TBD EARLY CHILDHOOD LEARNING CENTER

Preschool News

DECEMBER, 2013

It's hard to believe it's the last month of the year! Although we were just in school for three weeks this month, we made sure to fill each day with lots of fun and learning. The month started with Miss Vanessa's and Miss April's class going on a field trip to sing Hanukkah songs to Congregation Shalom at Leisure World.

All the classes have been dedicated to preparing and celebrating Hanukkah. The children have been practicing their Hanukkah songs for weeks. It was very exciting to have all the families here for our annual Family Hanukkah Night.

The learning continued on; Miss Susan's class started learning about snow and snowmen, and Miss Gina's class spent time learning about snow animals. Miss Vanessa's class continued with their letter unit and started to learn about the weather. Miss April's class still worked on zoophonics, Handwriting without Tears, and their math. During the break it's very important to continue practicing high frequency words and to read every night.

From The Staff at TBD-ECLC

We hope you have a wonderful 2014! See you January 6th!
