

TBD EARLY CHILDHOOD LEARNING CENTER

Preschool News

January, 2018

Our 2018 year started out with snowmen and winter fun!

Miss Susan's 2 year olds have enjoyed painting for their color books that will be sent home soon! I wouldn't want to spoil the surprise and tell you what it's all about!

Miss Victoria's class has been having fun with letters G, H, and I. The children enjoyed learning about snowmen and penguins and doing exciting art projects about them!

Miss Brooke's class came back on Gg week, where they made Gordo gorilla and Honey horse for Hh week. Ii week was a favorite because the children made yummy ice cream. Jj week was filled with jelly beans sorting. During this month the children learned about snow and even got to make and play with some!

Miss April's class have decorated snowmen, made snowmen books and talked about Martin Luther King, JR. They had a wonderful field trip to the Rinks, where they laced up their ice skates and took to the ice all bundled up. The children are still working on writing lower case letters and started their reading program.

Come by next month to see what fun activities the preschool has in store for February!
